

Provide Basic Emergency Life Support (HLTAID002) Statement of Attainment includes the Statement of Attainment in Provide cardiopulmonary resuscitation

NATIONALLY RECOGNISED
TRAINING

This Unit of Competence (UOC) provides participants with the knowledge and skills to respond to an emergency situation in a safe, confident, competent manner applying the principles of 'best practice' first aid including those required to execute basic emergency life support and cardiopulmonary resuscitation

There are three essential outcomes to this UOC

1. Respond to an Emergency Situation
2. Apply appropriate First Aid Procedures
3. Communicate Details of the Incident

Topics Include:

- ✓ CPR
- ✓ Allergic reactions
- ✓ Anaphylaxis
- ✓ Asthma
- ✓ Cardiac Arrest
- ✓ Choking and airway obstruction
- ✓ Severe bleeding
- ✓ Shock

- **TRAINING DURATION** 4.5 Hours face-to-face training
- **QUALIFICATION DURATION** 3 years
- **ASSESSMENT REQUIREMENTS**
 1. Demonstrate competent resuscitation techniques on a mannequin
 2. All participants must demonstrate two minutes of continuous CPR on an adult mannequin placed on the floor
 3. Theory assessment
